

The background of the entire image is a stylized American flag, with the stars and stripes rendered in a soft, semi-transparent manner. The stars are white on a light blue background, and the stripes are red and white, flowing across the bottom right.

The Highlands Ranch Veterans Monument Committee extends our deepest sympathy to the family of Sergeant Jon Stiles, a Highlands Ranch resident who was killed in Afghanistan on November 13.

We are humbled by his sacrifice and service. Sergeant Stiles' name will be engraved on a special section of the Highlands Ranch Veterans Monument recognizing residents of our community who have given their lives in service to our country. Sergeant Stiles' family will also be presented with a Dedication Tile to honor his sacrifice.
